Pictures from the Week!

News From the Nest

Old MacDonald had a farm, e-i-e-i-o. And on that farm he had a....(fill in with your favorite animal!). This was our theme song this week as we talked about and learned all about the farm, including, animals, jobs, plants, and people we would find. The students had so much fun singing this song and making lots of different animal noises throughout the week.

We introduced a new center this week: the sensory table. For each unit of study, our sensory bin will change. Since we just began our fall season and are talking about all things farm, the table was filled with fall colored leaves and lots of farm animals for the children to play with. In upcoming weeks I have Halloween colored rice with lots of spooky creatures to fill the table with. The sensory table is always a favorite in our class!

During our craft time this week we made big red barns filled with farm animals, pigs, and cows. We also took a day out of the week to make scary ghosts hiding under a sheet. You can find these ghosts up on our bulletin board in the hallway. It will be displayed for the entire month of October. See if you can figure out which ghost belongs to your child!

Thank you to all of our farm chaperones. We hope you all enjoyed the field trip as much as we did. Even though it was a bit muddy, we all still had a great time! You can find these pictures on the ClassTag app.

Next week we will be talking about fire safety. On Monday, the Grand Island Fire Company will be coming to visit us at 10am for a special presentation.

Reminders

We will be walking to the library next Thursday. Please make sure to send your child in weather appropriate clothing and footwear. It is often still wet in the mornings on our walk there, so if you want to send in rain boots, or an extra set of sneakers, that would be ok. Please make sure to return your library books every Thursday.

If you still have not turned in your physical, dental form, rest time agreements, and/or handbook page, please do as asap!

Thank You
