

November 1st – November 5th

Pre-K 2 News

Stories

This week we read, Hedgehugs, A Friend Like You, Bear Sees Colors, and Little Critter Shapes.

Centers

In centers this week we played with trains, light boards, soft blocks, kitchen, and magnets.

Specials

In Music this week with Miss Katie the kiddos loved learning and dancing to a new song "Rocket Ship Run." Miss Carly came to visit from the Grand Island Library, and the kiddos had fun listening to all the stories and dancing. We also went outside and wrapped a tree trunk with white drawing paper. Then we colored on it with different colored crayons. The kiddos really enjoyed it.

Crafts

This week we collected treasures from nature (pinecones, twigs, pine needles, etc.) and made fun nature crowns. The kiddos loved picking out which items they wanted for their own crown. We also made Triangle Monsters to go along with the new shape we are learning.
