Stories

This week we introduced the color red and the shape circle. We danced with red ribbons and found circle shapes on the floor. We read the books Funny Faces, The Hungry Frog and The Furry Puppy. Each story had an interactive element such as a fuzzy page or google eyes. The kiddos practiced taking turns touching the books.

Centers

The pasta filled sensory table was such a hit last week that we played in it again this week. We also played with twisty gear puzzles, made dinner in the kitchen, and had an art center.

Specials

Miss Katie brought her Mr. Froggy puppet and her Wheels On The Bus book with moving parts. We had a great time singing and dancing for music class. One Tuesday, we played outside and read stories for library. On Wednesday we had a visit from Charlotte the SPCA therapy dog. Thursday was rainy so we practiced some yoga with cow pose and downward dog. Then on Friday, Miss Kayla taught us some stretches and we danced.

Crafts

We decorated our Birthday crowns and colored pictures. The kiddos got to stick on stickers which was fun and a good fine motor activity.

- Picture Day, September 18th @8:30am.
- Farm field trip, October 4th (no class at Kiddos Korner)
