Mr. Ed's Awesome News!

This Week

We had a blast learning all about the letter "B". Throughout the week we practiced making the letter "B" sound while we read Bubble Bear, watched our "B" sound video, and picked our favorite picture off the "B" picture card! At snack time we had a special "B" snack where we ate blueberries!

This week we learned all about love and Valentine's Day. Throughout the week we read many stories such as: The Night Before Valentine's Day, Valentine Mice!, and 10 Valentine Friends. During circle time we learned how to spell "HEART" while singing a special song to the tune of B-I-N-G-O. We had fun sorting heart playing cards, playing heart memory, and counting red/white/purple linking cubes to match our heart numbers! On Friday we celebrated Valentine's Day with a fun party where we made Valentine's Day crowns, sang songs, and had a yummy strawberry and whipped cream snack!

This week we began learning about emotions. Each day we read stories about being happy, angry, sad, and scared. For each emotion that we learned, we also learned the American Sign Language sign that goes with the word. We had fun acting out each emotion. In Social Skills, we created a paper plate with 4 emoji faces on it to also help us identify our feelings. We had fun dancing to the song "Show Me How You Feel!"

On Wednesday, we celebrated the 100th Day of School! The kids loved learning how to count to 100. Thank you to everyone who created an awesome 100th Day of School shirt. The kiddos loved sharing their shirts with their friends and showing each other how creative they were.
