# Our Classroom News!

## April 9<sup>th</sup>, 2021

Spring has sprung and we are so excited to be spending more time outside! This week we learned about the season spring and what that looks like. We read the books, I See Spring, How Do You Know It's Spring?, and When Spring Comes. At circle time, we discussed how during spring time, the weather becomes warmer and rainy, the flowers and trees start to bloom, and we hear the birds chirping outside! To practice our fine motor skills, we made a bumblebee, decorated a flower, and created a raincloud.

Our letter of this week was T! The kiddos made a tiger using the letter T, practiced making the T sound, and read When Tilly Turtle Came to Tea. At the end of the story, the kiddos looked at a picture and found different things that start with T. We found a turtle, tiger, tree, teacup, turkey and tractor! Next week, we will be learning about the letter U.

Our theme next week will be dinosaurs! Kiddos are encouraged to wear dinosaur clothing all week!

"Every child is a different kind of flower, and all together, make this world a beautiful garden."
