Mr. Ed's Awesome News!

This Week

We had a marvelous week learning about the letter "M". This week our letter "M" story was Monkey's Miserable Monday. In the story, Monkey has a hard time throughout the day, from spilled milk to losing his marbles when he slipped on the mat. At the end of the story, Monkey's mother reminded him that it was not Monday, but it was Sunday. This made Monkey's day a lot better. We had fun practicing making the letter "M" sound for all the words that described what happened to Monkey. Throughout the week, we watched the Sesame Street M Podcast and listened to our letter "M" sound song.

This week we learned that numbers can be written as digits and as words. We started to practice identifying the words that represent each number from 1-10. During our math time we also learned a new concept of "skip counting". We practiced singing along with a leprechaun as he counted by one and "skip counted" by twos, fives, and tens.

In Social Skills class, Miss Fran taught us how to make special St. Patrick's Day-themed rice crispy treats using Lucky Charms cereal. We all had a chance to add ingredients as we followed along on the recipe! It was a tasty treat! We even had the chance to try some milk that was turned green by Shawn the Leprechaun who had been playing tricks on our class all week long!

During our center time we explored different jobs in our community helpers center. Throughout the week we created a St. Patrick's Day decoration by following along on a color by number to make a rainbow. We used different things to decorate clovers (crayons, markers, paint, bingo dabbers, glue/glitter, and colored pencils). We even had the chance to make a police car and turned an envelope into a mail truck!

Looking Ahead

April 2nd
Good Friday
No School

April 5th-9th
UPK Afternoon
Kiddos
No School

Next Week

Next week we will be
learning about
Community Helpers.
