News From the Nest

This week at school we talked about our friends. Each day we talked about what it meant to be a good friend, what to share (and not to share) with our friends, and how to be helpful to others. Ask your kiddo about some of the things they came up with on what not to share. It was quite the interesting circle discussion on Monday! ☺

On we read a story from one of my favorite series of books, "Elephant and Piggie". The students loved reading this story about sharing ice cream. It was a great way to start off our week! During our fine motor craft time we painted using a special kind of puffy paint (made with glue and shaving cream) to make very real-looking ice cream cones.

Due to the rain we were unable to make it to the library this week, however, if your child brought their book back to school this week they still checked out a book from the library. Hopefully we will get to go next week!

Next week we will be talking about the farm, farm animals, and fall. Our field trip is on Friday next week! Your child may bring in any item for show and tell that they would like (on their designated day).

Reminders

We will be walking to the library next Thursday. Please make sure to send your child in weather appropriate clothing and footwear. It is often still wet in the mornings on our walk there, so if you want to send in rain boots, or an extra set of sneakers, that would be ok. Please make sure to return your library books every Thursday.

If you still have not turned in your physical, dental form, rest time agreements, and/or handbook page, please do as asap!

Thank You
