

Hoots & Hollers

September 3rd to September 6th

Pictures from the Week!

News From the Nest

What an amazing first week we have had! Your children have transitioned so nicely into our classroom.

We have been very busy all week long learning about the routines, rules, and procedures of the classroom. One of the first things we learned about this week was "Give Me 5". You should've received a craft that your child made that can help them to recall the rules of the classroom.

One of my favorite things to do in class is to sing, so, this week we did a lot of singing (and dancing)! We sang several silly songs about dinosaurs, goldfish, monkeys, and ducks! We also started learning about songs that help us remember the days of the week, months of the year, and the numbers on the calendar. All of the children are picking the songs up very quickly!

Another thing we have been working on in class are the names of all of our friends. Each morning we go over who is here today and greet them with a wave and hello.

To help celebrate our first week of school, on Friday, we had an ice cream party on the playground after rest time! It was a delicious and well-deserved treat after a long hard week of school!

Next week we will be continuing to practice the rules of our classroom and learning our friends' names. We will also be learning how to correctly use our glue sticks, liquid glue bottles, and scissors.

Have a great weekend!

Upcoming Events

Wednesday, September 18th

Picture Day

Friday, October 4th

Field Trip to Becker Farms

Monday, October 14th

Columbus Day
NO SCHOOL

Reminders

We will be attempting to walk to the library next Thursday. Please make sure to send your child in weather appropriate clothing and footwear. It is often still wet in the mornings on our walk there, so if you wanted to send in rain boots, or an extra set of sneakers, that would be ok.

If you still have not turned in your physical, dental form, rest time agreements, and/or handbook page, please do as asap!

Thank You
