

Mr. Ed's Awesome News!

This Week

We had a great week learning all about colors! Throughout the week we learned about things that are red, orange, yellow, green, blue and purple! During circle time we searched around the room to find items that were each color. This week we also began learning about animals on the farm. We learned about pigs, cows, and sheep!

This week in Social Skills, we learned about being "Kindness Detectives". A Kindness Detective is someone who finds acts of kindness in the world. We also learned, through reading How Full Is Your Bucket, that doing kind things makes us feel good feelings. Everyone has an invisible bucket they carry with them that holds their emotions. When unfortunate things happen to us, our buckets empty and we start to feel sad, mad, angry or frustrated. When kind things happen to us our buckets fill up with good, happy, exciting feelings. As Kindness Detectives we are searching the class to find friends who are being kind. When we find acts of kindness, we get to fill up our buckets with a sticker to show how kind we are being.

In Art Class, Miss Bonnie taught us about another building block of art. This week we learned about different types of lines. Miss Bonnie taught us how to draw straight lines, dashed lines, dotted lines, zig-zags, and bumpy lines! We all had the chance to draw these lines using dabbers and next week we get to fill in our pictures with lots of colors!

A special thank you to Miss Barb and Miss Rajveer for coming in and participating in story and snack! The kiddos had a great time listening to a story about making a new friend and then making a friendship trail mix to share with each other!

Looking Ahead

10/4

Becker Farms
Field Trip

10/14

No School
Columbus Day

10/25

To Come)

Next Week

Next week we will be learning about different foods we can get at the farm! We will be going to the library on Friday morning next week. Please be sure to have kiddos wear their sneakers or boots for the walk.
