

## Our Classroom News!

### November 13<sup>th</sup>, 2020

We had an awesome week and took full advantage of this amazing weather we are having in November! On Monday and Tuesday, we decided to enjoy our lunch outside at the picnic tables after playing on the playground. The kiddos had lots of time to play outside, where they played in the sandbox, drew with chalk, and pretended to be many different superheroes!

On Thursday, we talked about Veterans Day. To help the kiddos understand this important day, we read the book My Red Balloon and made American flag hearts. We talked about how the soldiers keep us safe in America!

On Friday, Miss Fran came in for Social Skills. We read the book 'Twas the Night Before Thanksgiving, made a turkey, and did a turkey dance! The kiddos had so much fun!

Next week we will continue our alphabet study with the letter D. We will also be talking about Thanksgiving and what it means to be thankful!

**"It's important to remember that we  
all have magic inside us."**

**~J.K. Rowling**
