# Our Classroom News!

## October 9<sup>th</sup>, 2020

We had so much fun at school this week learning about the farm! The kiddos loved singing "Old McDonald Had a Farm" and making all the different animal noises. Some of the books we read were Big Red Barn, On the Farm, Jobs on a Farm, and Thump, Quack, Moo. To practice our fine motor skills, the kiddos made a barn, tractor, cow, and sheep during our craft time. They are always so proud of their artwork!

This week we introduced our sensory table in the classroom. The sensory table will be one of our centers and will change based on what we are learning. To go with our farm theme, the table was filled with hay, grass, and farm animals for the children to play with. In the upcoming weeks, the table will be filled with Halloween colored rice with lots of spooky creatures for the kiddos to discover!

On Tuesday we had a special visit from the Grand Island Fire Department. The kiddos loved meeting Firefighter Pat and getting to walk through the fire truck and spray the hose! We had a blast!

To celebrate the end of our farm unit, on Friday, we had the farm come to us! The class really enjoyed seeing all the different animals. The goat was a class favorite! Pictures from this afternoon will be uploaded to ClassTag.

Next week we will be talking all about fall!

"And now!", cried Max, "let the wild rumpus start!"

~Where the Wild Things Are

### Reminders:

\*No School- October 12<sup>th</sup>

\*Scholastic Book Order- due October 13<sup>th</sup>
