

November 1st 2019

Stories

We read and sang The Itsy Bitsy Spider ! This is one of their favorite songs and it was fun to see the pictures in the book to match the lyrics. We also read the Halloween stories I Love You Little Pumpkin, The Teeny Tiny Ghost, and Halloween Fun!

Centers

We scooped spiders and noodles in the sensory bin, and played mega blocks on the rug. We also used markers in the art center to create spooky pictures. We had a smashing good time hammering golf tees into fake pumpkins for hand eye coordination practice. We also welcomed a new student, Olivia! We are so happy to have her in our class!

Specials

Miss Katie brought Mr Froggy dressed in his bear costume on Monday. She also used the felt board to make a scarecrow; while we sang the song "The Little Old Lady Who Wasn't Afraid of Anything". On Tuesday, Miss Pamela brought lots of books to listen to, and we made a cute black cat! We got to go outside this week too. On Tuesday we had our Halloween party. Miss Kayla came Friday and guided us through the scarecrow dance!

Crafts

We practiced gluing together paper and using our baby shark finger to delicately place googly eyes onto our spiders. We also carefully used watercolors to paint beautiful spider webs!

- No School November 11th (Veterans Day)
- No School November 28th & 29th (Thanksgiving)
