Our Classroom News!

January 15th, 2021

What a wonderful week we had in our classroom! This week we learned all about arctic animals. Our fine motor activities included sponge painting a snowy owl, creating a walrus, and making a fox! During circle time, we read The Mitten, The Snow Tree, Animals in Winter, and Footprints in the Snow to go with our arctic theme. The Mitten was a class favorite!

We continued our alphabet study this week with the letter "I". On Monday, we made igloos using this letter and read the book, Izzy the Iguana. We practiced naming different words that start with "I" and watched the Sesame Street I podcast.

Next week we will continue learning about arctic animals, while focusing on polar bears!

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning."
