

October 4th, 2019

We had our first week of our farm theme. We read two books that the kiddos could touch and feel fuzzy farm animals inside the stories **A Day at the Farm**, **Duckling and Friends**, and **That's Not My Cow!**

We got messy with shaving cream in the sensory bin. The kiddos used toothbrushes to scrub shaving cream off the animals. We also played with the little people farm and peg boards. The kiddos had fun matching farm animals by color. They also pretended to plant vegetables like a farmer and then sorted them by color.

Miss Katie taught us the "Shape Song". We also had a marching band and made lots of lovely noise! Miss Pamela visited from the local library with farm animal puppets and very entertaining books. The kiddos also did some apple matching on the felt board and more apple painting. Celebrated two birthdays this week with sugar treats! Happy 3rd birthday to Reese and Charlie! Then on Friday we visited the Farm!

We painted red barns and made some adorable cow masks! The kiddos enjoyed painting and gluing. They didn't mind getting glue on their fingers either!

- Fire Truck visit October 7th @ 10:00am.
- No school October 14th (Columbus day)
