

September 30th-October 4th

Mr. Ed's Awesome News!

This Week

We had a lovely week learning about the letter "L". Throughout the week we practiced writing the "L" and coming up with lists of words that started with the "L" sound. During circle time we watch Sesame Street Letter L Podcast, sorted pictures and objects that started with "L" and read many stories that had words that started with "L". Throughout the week we practiced sequencing the events of the story When the Leaf Blew In. At the end of the week we had the chance to create our own barn and come up with a wacky idea of what could happen when a leaf blew into our own barn.

This week we learned all about things we can get from a farm; apples, corn, pumpkins and milk. During craft time we had the chance to make apples, use real corn to create our own paintings, and make a "thumbkin" patch of fingerprint pumpkins!

In Social Skills, Miss Fran told us a story about Elsie the cow who loved to eat purple grapes. Elsie ate so many purple grapes, that when it came time to share her milk, the milk came out purple! Miss Fran brought some milk that Elsie had shared with her and we were able to work together to make some Purple Cow Milkshakes!

In Art Class, Miss Bonnie taught us more about colors! We used our line drawings from last week to make a beautiful painting using all the different colors of the rainbow!

On Friday, we had a fantastic trip to the farm! Everyone had a blast picking apples in the orchard and pumpkins from the pumpkin patch!

Looking Ahead

10/7

Firetruck Visit

10/14

No School

Columbus Day

10/25

No After

School

10/31

Halloween

(More Information
To Come)

Next Week

Next week we
will be learning
about the
seasons.
